Water Conservation Tips

Did you know:

Murphy citizens have free access to AquaHawk Alerting, a tool that enables you to:

- Manage Water Usage
- Create a Monthly Water Budget
- Detect Potential Water Leaks
- Save Water and Money

Register Now!

<https://MurpTX.AquaHawk.us>

Over 50% of landscape water is wasted due to overwatering, inefficient watering practices and broken or poorly maintained irrigation systems.

Water My Yard is a program of the Texas A&M AgriLife Extension that will help you determine exactly how much to water, conserving water resources for the future and saving you money.

Signup is easy and FREE!
