#### **Sec. 26.02.024 Attached signs in business districts**

Attached signs are permitted in business districts in accordance with the following provisions:

- (1) Sign area.

(A)The sign area of an attached sign shall have a maximum square footage of two (2) times the width of the occupant space as measured along main entrance or frontage.

(B)The sign area for attached signs on multi-story buildings shall be two (2) times the width of the main building frontage. The sign area for attached signs on tenant spaces within a multi-story building which has a public entrance shall be allowed per the requirements in subsection (A).

(2) Location, height and number.

(A)Where an activity is located on the first story of a multi-story building, an attached sign may not project above the floor level of the second story.

(B)Where an activity is located above the first story of a multi-story building, an attached sign may not project above the floor that is located immediately above the floor upon which the activity is located.

(C)No attached sign shall project a distance greater than eighteen (18) inches from the architectural element to which it is affixed.

(D)No more than two (2) attached signs shall be allowed per tenant space.

(E)No rear facing attached signs shall be within one hundred (100) feet of a residential zoning district.

(F)Attached signs may be illuminated as allowed by applicable ordinances; however, illuminated attached signs on side and rear building facades shall be prohibited unless facing a nonresidential zoning district.
