MURPHY, Texas (April 30, 2024) - Announced earlier this year was the cancellation of Murphy's Craft Beer Festival known as Tunes, Tails & Ales. As a reminder, there are no plans of continuing this event in the same capacity.

It was just brought to our attention, a copy-cat fake website has been created impersonating our event. We have reported the bogus website and are working to remove our content from it.

There were many factors that came with the decision to cancel, but new events and refreshing our current events are now in the planning process. Stay tuned for updates!

Currently there are no links on the bogus website to purchase tickets, but that of course could change. We urge you to share this information with your friends and family so the threat of any monetary loss is limited.
